State Representative ~ District 76

Feb. 3, 2010

The Honorable
Mary Landrieu
United States Senate
Washington, DC 20510

Dear Sen. Landrieu:

As you know, the election of Scott Brown to the Senate from Massachusetts has significantly changed the dynamic in the Upper Chamber. As you are also aware, this upset election from the most liberal of states also indicates a significant shift in public attitudes towards the current administration and Congress.

Preferential treatment for Louisiana in the Healthcare Reform Bill is said to have played a significant role in Sen.-elect Brown's victory last Tuesday. Thank you, therefore, for your assistance in swaying Massachusetts to the Republican side of the aisle.

As you and your colleagues debate other versions of the Healthcare legislation in coming weeks, please bear in mind that your constituents do not support nationalized healthcare. Your constituents do not support the Obama Administration. And your constituents do not want to be bribed or bought with special treatment.

Thank you for your continuing service to Louisiana in the United States Senate.

Sincerely,

A handwritten signature in black ink, appearing to read "J. Kevin Pearson".
